Birdwatcher

by Ann Greyson

While vacationing in a log cabin in the idyllic Pocono Mountains in East Stroudsburg, Pennsylvania, Gillian and Lance Wincoffs 12-year-old daughter, Abby, vanishes while birdwatching in the woods. Pressure mounts for Sheriff Andy Kirkman and his Deputies, Billy Shipley and Missy Sparks, of the Monroe County Sheriffs Office as they scramble to find the missing Abigail Wincoff. The disturbing reality comes to the detective who inherits the case that Abby has to be the victim of a serial killer.
